Memories light the corners of my mind
 Misty water colored memories
 Of the way we were

Scattered pictures of the smiles
 we left behind
 Smiles we gave to one another
 For the way we were

Could it be that it was all so
 simple then
 Or has time rewritten every line

If we had the chance to do it all again
Tell me, could we, would we?

Memories may be beautiful and yet
What we gave to one another
We simply choose to forget

So, it's the laughter, we will remember
Whenever we remember
The way we were.
